Dear Parent/Carer

This year, to save unnecessary paperwork, we are not sending out paper forms for you to submit your child's details.

To ensure that we have all the information we need going into the new school year, please log onto Arbor and check that everything is still current. If any information changes during the school year, we would be grateful if you could let us know.

I appreciate you taking the time to look and would be grateful if you could make any changes by **20th July at the latest**.

Yours sincerely

School Office
