

PE in EYFS

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas. The aim of this document is to develop an understanding as to how the skills taught across EYFS feed into national curriculum subjects. This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for PE within the national curriculum. The information below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Olds and Reception to match the programme of study for PE. The most relevant statements for PE are taken from the following areas of learning:

- **Personal, Social and Emotional Development**
- **Physical Development**
- **Expressive Arts and Design**
