

Quarr Class

Autumn 2

Miss Spall and Mrs Stafford

Welcome back, we hope you all had a wonderful half term break.

This half term is always very exciting with the lead up to Christmas. We have lots of wonderful things to look forward to like the children's first school disco, Christmas Movie Night, Nativity Play and much more.

Our theme this half term will be celebrations.

Celebrations:

Our theme this half term will be 'Celebrations'. We will be looking at different celebrations including; Bonfire Night, Remembrance Day, Diwali and Christmas.

Maths:

We will continue to focus on counting skills, comparing numbers and the composition of numbers.

We will start to verbally count past 20 and match numerals to quantities up to 10.

Phonics:

This half term we have started by recapping some phonemes we have already learned.

Next week we will begin our new phonemes for this half term. The children will learn four phonemes per week and Friday is used as a review day to recap all the new phonemes.

Instead of learning one tricky word per week, like in Autumn 1, we will now learn one new tricky word per day. Please ensure the tricky word wallet is kept in your child's book bag so we can add our new words every week.

How can you help at home:

Keep checking our class Dojo page for updates on your child's learning and other important information.

Please listen to your child read every day and record this in their reading records once they are sent home.

Ask the children what phoneme (sound) they have learned in phonics and ask them if they can spot items around your home beginning with that sound.
