Dear Families,

FROM MRS CHESSELL

It has been a lovely spring like week for Team Binstead this week. The daffodils are starting to bloom on the gate and the weather somehow seems a little warmer each day.

It has been a few weeks since we started to trial a new way of letting Key Stage Two parents know about low level behaviour incidents in class. Thank you to all the parents who have responded positively to this, we will be continuing with this going forwards as it seems to work for the children to know we are communicating with you as parents immediately if they are not doing what they should be doing, despite warnings.

I have had the pleasure this week of joining some of the classes for their learning. As always, it is wonderful to see our school in action and see everyone working hard.

Next week our Year 1 children are looking forward to their Space Workshop in the hall. I can't wait for them to enjoy their experience wide eyed!

This week our school council have been working on putting together some suggestions to support and improve the school. One of these is around the range of clubs. I will be taking their suggestions to staff to see what improvements can be made. They came up with some fantastic ideas, and although not all will be possible or practical, it is so lovely for them to have some ownership and autonomy over this for the benefit of the other children in the school.

Last year you may remember that our very own Teddy won the Walk The Wight Medal Design Competition and his design was made into the actual medal! Please see the information further down the Buzz if your children would like to enter this year! Who knows, we might have TWO Binstead winners! Good luck Team Binstead!

I hope you all have a lovely weekend and the sun continues to shine throughout.

Thank you, as always, for your continued support.

Mrs C
